

BEDSIDE FURNITURE RANGE

BEDSIDE FURNITURE

The Axis Health range of bedside furniture are designed to complement all beside environments. A large range of over bed tables and bedside lockers provide options for functionality and incorporate attractive design to compliment surrounding decor.

The over bed table range has a number of options including lightweight lift lock height adjustment or screw adjustment. Top surfaces can be vacuum formed with lip surrounds or flat top,

The bed side lockers feature quality metal extension drawer runners, all with a drawer lock to provide security for personal belongings. A variety of configurations meets all requirement for different storage needs.
